+ 3 years | Difficulty: ★ | 1 hour

## Material

You need:

- [YARN BALLS](#)
- [CANSON PACK OF BLACK PAPER 220 g](#)
- [STICKERS Eyes](#)
- [ADHESIVE MOBILE EYES](#)

And also:

**+ Educational material**

Fine motor skills

## Steps

- Cut out the shape of the character from the cardboard.
- Glue moving eyes, eye patches or a photo portrait onto the head of the cut-out shape.
- Using knitting yarn or white string, roll up the man until he is almost completely covered (taking care to leave the mummy's face visible).

A scary creative idea to work on fine motor skills!
