

MY HERBARIUM SHEETS

+ 2 years old | Difficulty: ★ | 1 hour

Material

You need:

- **To collect during a walk:**
Dead leaves, spruce branches, and pieces of wood

- [RIGID CANVAS BOARDS](#)

- [LITTLE POT OF GLUE](#)

- [METALLIC PATINA WAX](#)

- [ROUND SPONGES](#)

- [LARGE SIZE PUNCH Butterfly](#)

- [CANSON PACK OF COLOURED PAPER](#)

And also:

Steps

- Create a weathered effect by applying metallic wax with a sponge to the stretched canvas support.
- Glue the pieces of wood together to form the trunk and branches of the tree.
- Glue the leaves to dress each tree.
- Using colored cardboard paper, create butterflies. Slightly folded, they will add dimension to the artwork.

And here is a simple and accessible activity to create an autumn-themed triptych!
