Steps

Painting the vase:

- With crepe tape or masking tape, create areas in triangles and paint in gold.
- Repeat the same process for the bronze.

Bouquet of pompons:

- Using the templates, create about ten pompons.
- Insert a thin wooden branch into each pom-pom and secure with a dot of hot glue (optional).
- Once all the pompons have been created, place them in the vase for a beautiful effect!

A very simple activity that can be adapted to the seasons depending on the colour of the wool used!
