

# Fimo Clay Coasters

+ 3 years old | Difficulty: ★ | 1h

## Material

You need:

- Recycled: toilet paper roll
- FIMO SOFT clay 57 g block – classic colours
- FIMO SOFT clay 57 g block – pastel colours

- FIMO EFFECT Stone 001
- Food-safe varnish
- Baking paper

### Tip

If you are using an opened block of FIMO clay, simply place it in the microwave for a few seconds to restore its softness!

## Steps

- Choose a block of FIMO clay in the colour of your choice. After kneading the clay well, roll it into thin coils on baking paper.
- Arrange them in a spiral, create a flower or a circle as you wish!
- Bake everything in the oven at 110°C for 30 minutes.
- And there you have practical, aesthetic, and colourful coasters for summer!
