### Steps

#### Selection of supports

It's time to recycle!

- Collect various cardboard boxes (shoe boxes, cheese boxes, tissue boxes, etc.) to create your calendar.
- If necessary, add boxes to decorate in the shape of stars, circles and small trees.

#### Decoration for different surfaces

- To paint recycled boxes, mix black and blue acrylic.
- Paint the round boxes, stars and fir trees with bronze and gold acrylic.
- Once dry, spray with the glitter spray to make them shine.
- Then assemble the boxes using a glue gun and decorate them using a white marker, colored paper and position the numbers.
- To create a winter world, make Christmas characters (Santa Claus, deer, bear, etc.) using fimo clay and then stick them in the boxes.

A creative, original and economical Advent calendar!
