

| SNOWBALL IN BOTTLE

5 years (with the help of an adult) | Difficulty: ★★ | 2 hours (excluding drying time)

You need:

- Recovery: Bottles of water
- Snowflake and star glitter
- Glitter shaker
- Star glitter
- Lace paper adhesive ribbon
- Ribbons
- Modelling clay
- Baby finger paint
- Natural raffia

• And also:

Steps

For the bottle (step to be performed by an adult)

- Using a craft knife, open a plastic bottle crosswise and shorten it to the desired size.
- Check that each part of the bottle fits well, otherwise refine the cut with a pair of scissors.

For characters

- With the modeling clay, make characters on the theme of winter or Christmas. Once dry, paint these characters in the desired color.

For assembly

- Place glitter on the bottom of the plastic bottle.
- Place the figure or stick it on the bottom of the bottle so that it does not fall out.
- To decorate the set, add adhesive tape and raffia to finalize the creation.

Decorate your beautiful Christmas tables!
