

| CHRISTMAS CANDLE HOLDER

5 or over | Difficulty: ★★ | 1 hours

You need:

- Jar to decorate
- Glitter shaker
- Medium glue varnish
- Strong glue
- Felt sheets
- Skeins
- Wood beads
- Multicoloured pompoms
- And also:

Steps

- Cover the glass jar with a layer of glue-varnish using a brush
- Sprinkle glitter on top and allow to dry well.
- For Santa Claus: cut a strip of black felt and tie it around the glass jar. Cut out a grey square a little wider than the black stripe and create a small window inside to create a kind of buckle for the belt." Stick this loop on the tape."
- Cut out a piece of felt to make Santa's cap and sew both ends to form a cone.
- Always using the thread and needle, add the wooden pompom or bead to the tip.
- Place a tealight candle inside the jar and your decoration is ready!
