

Christmas Socks

Time to allow: 2hrs

Difficulty: ★★☆☆

Material

- Lightweight felt
- Round-ended needs
- Woollen thread
- Template
- Scissors
- Gluestick

Steps

1. Print and cut out the templates on the following page
2. Fold your piece of felt in 2.
3. Draw the outline of the sock on the felt using the template (place against the fold) and cut it out. You will get the two halves of your sock linked by the central stem.
4. Sew the two parts of your sock together with woollen thread. Remember to make the hook or tie to attach your sock.
5. Decorate the sock by gluing shapes cut out of felt.
