

Custom gift paper

Time needed: 30 minutes | Age: 5 or over (adult supervision required)

Difficulty: ★★☆☆

Material

- Roll of coloured Kraft paper
- Iron-on beads
- Iron-on bead backplates
- Hemp string
- Stiff paper labels
- Scissors
- Domestic iron
- Oven paper

Steps

1. Form your selected shape by fitting beads over the spigots of the backplate using tweezers.
2. Preheat an iron on the cotton setting. Lay the oven paper lightly on top of your work and iron over the beads for several seconds to make them melt.
3. Leave the assembly to cool for a few minutes.
4. While you are waiting, wrap the present in the coloured Kraft paper.
5. Attach your shape to the gift-wrap with a piece of hemp string of your selected colour and wrap the string around the gift package.
