

A BEAUTIFUL REINDEER CANDLESTICK

3 years | Difficulty: ★ | 1 hour (including drying time)

Material

You need:

- [Terracotta pots](#)
- [Glittery pompoms](#)
- [Coloured paper sheets](#)
- [Adhesive black eyes](#)

- [Blow-on led tealight candles](#)
- [Acrylic paint](#)
- [Black marker](#)
- [Horn and ear models to download](#)

And also:

Steps

- Download and print the template of the horns and ears either on colored paper (300g is ideal for holding the horns) or white paper to color them yourself.
- Cut out the horns and ears by adding a tab to fold them and glue this part on the pot.
- Paint the terra cotta pot by mixing white and brown for the reindeer hair.
- Once the paint is dry, glue the eyes, the pompom for the nose, trace the mouth with fine black felt and add the horns and ears to the sides.
- To brighten up the holidays, add LED candles that extinguish in one breath.

Beautiful Christmas reindeer to decorate during the holidays.
