

SANTA CLAUS COUNTDOWN

3 years | Difficulty: ★ | 30 minutes

Material

You need:

- [White pompoms](#)
- [Sheets of corrugated cardboard](#)
- [Sheets of card](#)
- [Double-sided adhesive pads](#)
- [Santa Claus model to download](#)

And also:

Steps

- Download and print the Santa Claus pattern in the desired format
- Cut out the corrugated cardboards and the glittery sheets to obtain the beard, the hat, the nose, the eyebrows of Santa Claus.
- Cut out the numbers directly from the print.
- Glue the cutouts together on a larger backing (we chose blue corrugated cardboard).
- As the days of December progress, come and stick small pompoms (using double-sided adhesive pads).

Santa will have a full beard on December 24th. The count is started!
