Steps

- Along the entire length of the poster, draw and cut out a strip that is 10 cm wide.
- On the remaining paper, draw and cut out the shape of Saint Nicholas's mitre using our [downloadable template](#).
- Cut two ribbons, each with a width of 2 cm, from the yellow paper. Glue them in a cross shape centered on the mitre shape.
- Decorate with stickers and rhinestones as inspiration strikes.
- Once this step is completed, glue the mitre onto the strip created in step 1. Form a crown with the strip so that it fits around the head, and secure it with glue.

And there you have a sparkling and unique Saint Nicholas's mitre!
