- [BALL OF JUTE THREAD](#)

- [WOOD MIX](#)
- [MINI GLUE GUN](#)
- [ADHESIVE REFILLS](#)

And also:

Educational material

Fine motor skills

Steps

- Cut out a 20 cm square on a sheet of brown felt.
- Cut out a circle of the same diameter on a sheet of white felt.
- Assemble the 2 felt shapes using the glue gun (to be done by an adult).
- Glue leaves to the bottom of the board.
- Cut out reindeer antlers from a sheet of green felt.
- Using the glue gun, attach the walnut shells, the pieces of green felt and the small red pompoms to form the body, antlers and nose of the reindeer respectively.
- Use Posca to draw the legs, tail, mouth and coat.
- Use pieces of natural wood to outline the picture (to be fixed with the glue gun by an adult).

And here is a nice relief painting to display proudly!
