- ADHESIVE MOBILE EYES
- SHEETS OF TISSUE PAPER Pearlised

And also:

**+ Educational material**

Fine motor skills

## Steps

- Paint one box white and one box grey (to completely cover the labels use 2 coats).
- Cut out the ears in white for the white box and in grey for the grey box. Cut out the inside of the ears in light pink. Then assemble the 2 ears together.
- Add eyes and glue a pink pom-pom with caterpillar whiskers (3 on each side).
- Cut out the bunny teeth from white paper and glue them under the pom-pom.
- Cut out a 20x20 cm square for the large box and a 15x15 cm square for the small box from tissue paper and slip it inside before filling with chocolates.

A naughty bunny that contains chocolates and comforting treats, to hide in the garden for the children!
