Fine motor skills

## Steps

- Split the clothes pegs in half and paint them orange.
- Glue the two smooth sides of the clothes pegs together.
- Cut the fabric into several strips of the same size.
- Place the cloth over the top of the carrot, forming a bouquet.
- Wrap the jute rope around the top of the carrot to hold the fabric.
- Put a dot of glue to fix the rope.

While working on fine motor skills, this creation is a real decoration for the Easter table!
