You need:

- Various sizes of multicoloured pompoms
- Mini terracotta pots
- Adhesive felt sheets
- Sisal wool (green)
- Mini glue gun
- And also:

Steps :

- Put a layer of sisal wool at the bottom of the terracotta pot.
- Add a large pompom.
- Glue on a small pompom to make the rabbit's tail.
- Cut out 2 rabbit foot shapes from the felt (H: 3 cm), then cut out small circles (approximately 3 mm).
- Assemble everything with the glue gun.
- Glue the feet to the edge of the pot and the pompom.
- Decorating the pot:
- Cut out differently sized small leaves (approximately 7 cm) from a sheet of green felt.
- Glue the leaves onto the pot.
