

# Eggs to decorate

Estimated time: 15 minutes

Difficulty: ★★☆☆

## Material

- Polystyrene eggs
- Wooden eggs
- Plastic eggs
- Transparent plastic eggs
- Decorative accessories: paint, ribbons, masking tape, deco patch...

## Steps

- Paint them with acrylics
- Attach ribbons or masking tape
- Use the deco patch technique
- Incorporate decorative accessories (only for eggs made of transparent plastic)

⊕ Depending on the material your eggs are made of, you can decorate them in different ways.
