

100% natural creation

Estimated time: 1 hour, 15 minutes

Difficulty: ★★☆☆

Material

- Eggs
- Compost
- Seeds (basil, chives...)
- Egg-cups
- Gouache
- Decorative accessories: ribbon, masking tape, decorative forms, 3D paint...

Steps

- Paint the egg-cup with the gouache.
- Crack the top of the egg
- Empty the contents in a bowl (it will be used for the recipe of Easter biscuits).
- Rinse the inside of the egg with a bit of water.
- Paint the outside of the egg with the gouache.
- Let the egg-cup and the egg dry for a half hour.
- Decorate the egg-cup as you wish with a ribbon, masking tape and decorative accessories.
- Fill the egg with earth and seeds.
- Spray with water regularly and soon a small plant will appear.
