

| BEE PHOTO HOLDER

3 years + | Difficulty: ★ | 30 minutes + drying overnight

You need:

- A cardboard tube
- A photo of the child
- Adhesive black eyes
- Pipe cleaners
- Low price acrylic paint
- Strong glue
- And also:

Steps:

- Paint the tube yellow.
- When the tube is dry, paint the black stripes.
- Stick on the eyes.
- Paint the lashes, nose and mouth.
- Glue on the pipe cleaners to make wings and antenna.
- Use the cutter to make two slits (4 mm) at each side of the tube (step to be done by an adult).
- Insert the photo of the child.
- Your superb bee is ready for spring!
