

# Vintage exercise book cover

Time needed: 20 minutes

Difficulty: ★★☆☆  
3 or over

## Material

- Exercise book
- Decopatch paper
- Rolls of sticky tape
- Glue
- Paintbrushes
- Pencil
- Scissors

## Steps

1. Cut a sheet of decopatch paper to the same size as the back book cover, leaving the spiral clear. Do the same for the front cover.
2. Cover up the spiral with sticky tape from the roll.
3. Spray glue all over one of the book covers. Take one of your decopatch sheets and stick it down.
4. Do the same for the other cover.
5. Trim any paper that goes over the edge.
6. Run lengths of sticky tape along the edges of the exercise book to customise the new cover.
