

Photo frames to decorate

Estimated time : 10 to 15 min | Age : + 6 yrs

Difficulty: ★★☆☆

Material

- Frame
- Poster paint
- Paint brush
- Template for cutting out cars
- Cutting tool
- Dad's favourite photo of the family or child
- Decorative items : buttons, masking tape, self-adhesive shapes/stickers, little clips/pegs...

Steps

1. Paint the photo frame.
2. Allow to dry for 15 min.
3. While you are waiting, cut out the car using the template and then cut the car into two...
4. Once the frame is dry, stick the two parts of the car to the photo frame (one each side) and customize the photo frame with self-adhesive shapes, buttons, little clips/pegs, decorative paper...
5. Add Dad's favourite photo of the family or child...
